FROM THE DESK OF FATHER MICHAEL MEMORIAL DAY, AND FREEDOM

This Monday marks Memorial Day in celebration and thanksgiving for the men and women who gave of their time for our nation. We as a country pay tribute to those who valiantly gave of their lives on foreign lands for the sake of freedom and liberty in our country and beyond. Military personnel like my own father served in active service for the benefit of other peoples in other countries. War is never a pleasing thought, and should always try to be avoided, however this is the one day in the year in which we honor our soldiers who served and have died. We should also keep our soldiers and their families serving in the war against terrorism, and terrorist groups like ISIS in our prayers for they continue to serve with valor and honor for us and the liberation of others. They deserve our respect. Thus, as we gather for parades, parties, and rest on Monday, take a pause to say a prayer for our soldiers, deceased, retired, and active. They have served us well, and a prayer of thanks is the least we can do.

The freedom that our soldiers fought for is something that we should cherish. The liberties that we have because of our gallant and courageous forefathers who included the freedom to assemble, and the freedom of religion in the Bill of Rights stands as a testament to the basic rights that every American shares, and has the pleasure to enjoy. It is those rights that our soldiers battled for in the Revolution, and is protected in wars today not only for ourselves but for others who are oppressed around the world.

We must acknowledge that even in our darkest days of economic and family strife, there is hope for a better day. It was that hope that the colonials had during the revolution. It was the soldiers who fought for us and for our brethren in Europe for their freedom, and it's our soldiers in the Middle East. This is our time to say thanks.

Enjoy Memorial Day. Remember the sacrifice, and let us look with hope and pray for our young people. Our graduates deserve the applause for the milestone that they have reached in life. They need to know that God loves them, and there is a hope of a brighter day because of the soldiers of the past and present, and the freedom and rights we have today.

Fr. Michael

PASTOR NOTES

Graduation

May and June also are special times for graduation from College, High School, and Elementary School. I would like to congratulate our graduates for their achievements this time of year and pray for their next step in their lives in education or in the working world, with success found through God. May our Graduates always keep their eye on the prize, and focus on the goodness that God has to offer. Keep prayer in the life of the graduate, and all things can indeed be possible.

Festival Thank You

Though we do not have final numbers on the results of the Festival, I wish to thank all the Volunteers for all their efforts, time, and energy. I especially thank Tim Gerity, who was the Festival Director and Chairman. I really don't know how to thank him other than to say, "You did a great job." Along with Tim, I wish to thank his wife Angelina for her work in the White Elephant, Bob Gamble, who directed the food cooking and distribution, and Mary Beth who led the volunteers, her husband Joe, who was the leader of Bingo and Nick Sallerolli who spearheaded the Raffle Ticket Sales. There are many more thank yous, from sponsors to volunteers, but in all ways it's a real heartfelt thank you.

MEMORIAL DAY PRAYER

Dear Heavenly Father,

On this day of remembrance for those who have made the ultimate sacrifice for the freedoms we enjoy every day, we think of how they have followed in the footsteps of your son, our Savior, [Jesus Christ](#).

Please hold our servicemen and women in your strong arms. Cover them with your sheltering grace and your presence as they stand in the gap for our protection.

We also remember the families of our troops.

We ask for your unique blessings to fill their homes, and we pray your peace, provision, [hope](#) and strength will fill their lives.

May the members of our armed forces be supplied with courage to face each day and may they trust in the Lord's mighty power to accomplish each task. Let our military brothers and sisters feel our love and support.

In the name of Jesus Christ, we pray,
 Amen.
